Tribute Journal

*The Lubavitcher Rebbe  
Rabbi Menachem M. Schneerson  
of Righteous Memory*

*The Rebbe's legacy of unconditional love for people knows no bounds. To the Rebbe, they all belonged. He made everyone feel at home. To the Rebbe, there are no divisions among the Jewish People. Every Jew is family. Jewish unity is not a slogan, a wish or a promise. It's a way of life. It is his message of Jewish unity, "that not one of us is complete unless all of us are included," That goes to the very core and essence of the Rebbe's leadership. It is this concept that motivates the Rebbe's emissaries around the world and it is the core belief of Chabad of Penn Wynne.*

*Dear Friends, Welcome to our 8th Annual Gala. The Gala is one of our main fundraising events of the year, so your being here really does make a difference. Our mission, to make sure every Jew in our community feels at home at Chabad allows them to discover their Judaism in a warm and welcoming atmosphere. This approach has allowed us to attract all segments of our community.*

***Our Chabad House is open to all.***

*Our classes do not require prior knowledge of Judaism. Our services are warm and welcoming and do not require a Hebrew reading background, and our events are fun for the whole family.*

*Of course it is quite costly to run our Chabad House and all its programs. But in an effort to encourage anyone who wants to join, we do not pass on that cost. We are only able to do this through your continued support.*

*Our model has brought us much success and I am confident it will only continue. I thank you for joining us tonight, and encourage you to please continue supporting us throughout the year, so that we can continue to provide our vital service of keeping Judaism alive, well and fun for the next generation.*
